

PAWNABLE & BOUGHT ITEMS - PRICES AND FIGURES

Lara needs cash to:

- a) Buy health items from herbalists – various prices.
- b) Buy medi packs from the herbalists or the Pawnbroker.
- c) Buy a basic semi automatic - M-V9 (from Pawnbroker)
- d) Buy an automatic machine pistol – the Scorpion-X (*Gloch 13c*) from Luddick in Prague.
- e) Buy ammo (from Pawnbroker)
- f) Bribe the ex-janitor to talk to her - £100.
- g) Bribe the doorman at Bouchard's hideout – £500/E800

If the player doesn't pick up any items in Map #1 Lara must be able to get ALL the cash she needs in Map #2.

If she goes the route to get the 'Box' at the Serpent Rouge the 'Box' will tip the balance with bribing the Doorman. But the Box can't be pawned. Too hot!

If Lara gets the password from the Janitor she won't need to bribe the doorman.
