

AT VON CROY'S APARTMENT Gp 7.3

THIS IS THE REST OF THE BLOODSTAINED FAX PAGE LARA FINDS AT VON CROY'S APARTMENT. THE ACTUAL PASSWORD IS OBSCURED BY A BLOODSTAIN.

THE PAGE INCLUDE A REPRODUCTION OF AN OBSCURE SYMBOL:

FAX – BETWEEN CARVIER & VON CROY

THE TORN OFF BIT:

Margot Carvier. 17a Place St Sulpice. Paris.

Werner, I have information you requested on the Black Alchemist. Also the Obscura Paintings and related material. It would be best if we met here, not at my office at the Louvre. Some of the material is a little disturbing. The symbol is linked in some way.

THESE FAXES ARE FOUND ROLLED UP IN THE JACKAL HEADED WALKING STICK IN VON CROY'S APARTMENT ALONG WITH THE FOUR OBSCURA ENGRAVINGS:

FAXES - BETWEEN VON CROY & VASILEY

Werner Von Croy Paris to Mathias Vasiley. Namesti Slobodi, Prague. Czech Republic.
Received the four Obscura Engravings today. Any sign of the fifth Engraving? Am VERY interested in any material relating to the Obscura Paintings. Yes, I am familiar with the 'hidden map' theory.

Mathias Vasiley Prague to Werner Von Croy 613 Rue Valise, Chantell Building, Paris.
Good news. Have located the fifth Engraving. Must discuss revised price.
