Hi Lara,

My name is Elena and I am living in Germany. Being 7 years old I am one of your youngest fans. Unfortunately I do not speak English but my dad does it a little bit. So he wrote this mail for me.

At the moment we play your second adventure. The events inside the Maria Doria are so thrilling that sometimes I have to lift my feet off the ground. Perhaps you know this behavior from your childhood when some Corgis were around. By the way - I have a dog too. He is a french sheep dog (Briard) called Aramis.

Kind regards

ELENA

To Lara Croft

I am a very big fan of yours, i read every magazine about tomb raider, and i like all the games. I have played tomb raider 1, tomb raider 2, and tomb raider 3. I have completed all 3 games, and i really think the cut scenes of the game are brilliant. I was really wondering that how come you don`t get the part in the tomb raider film. I know that there going to choose someone to play as you, but why did`nt you get the part. But most of all i`am a very very big fan of yours.

Lara,

Finally I have found your address on the internet.
I have been waiting for it for so long. I am sorry to hear that you are getting lonely on your travels and I hope that you read my letter. I can't wait until your new movie comes out and I will be one of the first to see it. I am your No.1 fan!

If I ever meet a more courageous girl than you then I'm sure that you will give her a run for your money. Oh and by the way you are not going out with Bond or Turok are you cause if you are I am positively sure you will have to teach them a thing or two before they become anyway near as tough and as cool as you.

Sincerely
Darren

Dear Lara,

I am a great fan of yours and have tried all your games.
Tomd Raider is a great game (for me anyway) and I have to addmitt you are quite attractive. Sometimes I use the guide books but recently (ever since I got Tomb Raider III) I have stopped.

I am looking forward to watching your new movie and if it comes out, playing Tomb Raider IV. My friend at school wants you to be his sister, but somehow I don't think thats possible. If you don't mind me saying, I quite fancy your M16 so when you've finished with it, could I have it please?

Thankyou,
from Lucy XXXXX age 11.

Hello,

My name is Ana Clara,I have 9 years old.I am a Brazilian student. I live in Rio de Janeiro, and my city is completely different of the locations of the games where Lara Croft walks. Forgive me my Inglish, but I must to give my congratulations to people that created a too much interesting game that has Lara Croft as heroin.

I always play tomb raider 1 and 2 . I have a lot of fun and adventure with this two games .I want to buy tomb raider 3,but my computer dont have enough capacity.

As soon as possible i intend to buy a new computer, only to play Tomb raider 3. (I wish my dad could buy a new computer an Lara 3, of course ...)

My best wishes

Dear Lara,

I am a really big fan and I think the web page is great! I'm on it a lot!

After making you my hero, I decided to adopt your attitude and I was really shocked because we have so much in common! (Apart from age, money

amount, house size and fears - but they're about the only things!)

I think all the images you can download are really great!
